

# Antarctic Circumpolar Current

Transect-based measurements of temperature, salinity, currents and bottom pressure across the Drake Passage

*Presenter: Brian King (NOCS)*

## Antarctic Circumpolar Current

### Data:

- **Drake Passage piggy-back cruise on *James Clark Ross* December 2007**
- **BPRs turned round (POL)**
- **Repeat CTD section (30 stations) (NOC)**
- **CTD Cruise reporting complete to Nov 2006. 2007 report in final stage of preparation**

# Antarctic Circumpolar Current

## Analysis:

- **Data up to/including 2005 cruise reported in paper by Naveira Garabato et al. (submitted to J. Clim.)**
- **Variability of SubAntarctic Mode Water and Antarctic Intermediate Water**
